

Ronald
McDonald
House
Scranton

Wish List

Keeping families close

The Ronald McDonald House of Scranton depends on donated food and supplies to keep our House stocked with all the basic necessities a home requires. When you're shopping for items for your own home, pick up a few things for ours, too! Or, collect items with your office or church, or with a community group, and call to set up a time to drop off your donation.

- ♥ Donated foods must be store-bought, unopened and within their expiration dates.
- ♥ Avoid items with nuts of any kind.
- ♥ For infection control and the safety of our guest families, we are NOT able to accept USED or PREVIOUSLY OWNED items of any kind. This includes stuffed animals (i.e. beanie baby collections), books, magazines, car seats/strollers, electronics, furniture, and clothing.
- ♥ Please do not gift wrap toys.
