Keeping families close™

Dear Sponsors and Participants of the Show Your Stripes 5k Race,

For over 38 years, the Ronald McDonald House of Scranton has offered a home away from home to keep families close to their children as they receive critical care in local medical facilities. As one can imagine, the most trying time in a parent's life is when their child is sick and in need of medical attention. The Ronald McDonald House of Scranton is able to provide a place of quiet retreat away from all of the hustle and bustle of the hospital setting so that parents can be well rested and able to make critical decisions concerning the health of their child. Each room is equipped with everything a family could ever need, especially for those who are packing in a hurry.

It is truly because of our community – sponsors, participants, donors – that we are able to continue to serve families in Northeastern Pennsylvania so well. Although we have seen ample support in the past, we are seeing even more the depth of generosity that our community holds throughout the current pandemic. We have seen young people donate their birthday money toward our mission. We have seen businesses, who are struggling to make ends meet, give their yearly donation without a second thought. We have truly seen community heroes come out of the woodwork.

We are so grateful for your participation in our Show Your Stripes 5k in whatever capacity you are participating. You are making a difference in the lives of children and their families, and we are forever appreciative of your support.

Sincerely,

*Your friends at the Ronald McDonald House of Scranton*

# Thank you to OUR SPONSORS!
