

Overnight Program

We provide a place for families to stay while their child receives medical care at local medical facilities. Families can stay at the House or we provide a hotel stay depending on their situation.

Family Room Program

Our Family Rooms are spaces within two local hospitals that offer a place of respite for families to get a cup of coffee or snack and step away from the hospital environment while being only steps away from their child.

Hospitality Bag Program

We provide Hospitality Bags to every family with a child in the NICU in our two local hospitals. These bags include food and drink supplies, babies' first toy, crossword puzzles, etc. to help ease additional burdens during their hospital stay.

Transportation Program

We provide transportation assistance to families that may have other obligations at home that would make leaving home difficult. We provide Gift Cards to help offset the cost of their travel to and from the hospital.

Ease a Burden... Help keep families Close when it matters most.

***Every donation we receive makes a difference in easing a burden for families with children receiving medical care.
Share a Night...Share a Drive***
