CHARITY CLASSIC Event Details

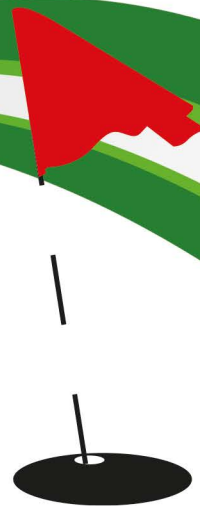

ABOUT THE RONALD MCDONALD HOUSE

The Ronald McDonald House of Scranton (RMHS) supports families coping with their children's illness by offering programs that improve the health and well-being of both children and their families.

Through our two main programs—Ronald McDonald House and four Ronald McDonald Family Rooms—RMHS helps keep families close to their sick children while they receive care at top local hospitals. Our programs not only provide access to high-quality healthcare but also foster family-centered care, ensuring families remain actively involved in their children's treatment and feel fully supported throughout their journey.
